EXAMPLE LAYOUTS AND CAPACITIES

RED SHED

LEVEL 1 · BLACK MOUNTAIN PENINSULA

[redshed.org.au](http://redshed.org.au)

The room is approximately 15 m by 15 m, opening onto the outdoor deck and Lake Burley Griffin on one side and the Easy Oar cafe on the other. Every layout below is indicative only.

## SEATED DINING

### Banquet on rounds

14 tables of 10, offset so every seat has a sightline to the screens.

**140 seated**

### Banquet with band and dance floor

10 tables of 10, band in the window corner, dance floor wrapping it.

**100 seated**

### Long tables

4 runs of 26 down the length of the room.

**104 seated**

## CONFERENCE AND PRESENTATION

### Theatre

Plus room for about 40 standing at the back.

**160 seated**

### Classroom

All 20 trestles, three across each block. 54 seated at three per trestle.

**36 seated**

### U shape

About 700 mm per person, open end facing the screens.

**35 seated**

### Split room

Wide U at the screen end, long lunch table at the cafe end, both set at once.

**24 + 24**

## STANDING

### Cocktail

5 tall round tables spread wide, band and dance floor, service tables against the cafe wall.

**220 standing**

The outdoor deck is shared with the Easy Oar cafe and is not exclusive to your event. Exclusive use of the deck can be arranged at additional cost.

All layouts indicative only and approximately to scale. Final capacity depends on staging, catering style, AV and access requirements. Dimensions scaled from Level 1 Function Layout, drawing WD105A. Talk to us and we will set the room up around your event.
