

How to Purchase a Course for Your Child on Mindbody

We understand that Mindbody can be a bit confusing when setting up junior accounts. Here's a simple guide to the enrollment process to help you purchase and manage passes for your child.

Getting Started:

To get started, please visit Red Shed's Mindbody website through a browser. The Mindbody App will not allow you to proceed with course enrollments. **Please ensure you purchase ONE program per transaction** to ensure the enrollment successfully completes.

OPTION 1: Log in as yourself to book for your child

1. Log in to Red Shed's Mindbody site using your own credentials.
2. Click on the **Enrollments** tab.
3. Click the **Sign Up Now!** button for the appropriate course.
4. Click the **Enroll - [name of your child]** button.

5. Select **Check Out** to proceed with payment.
6. Enter or select your payment information, then click **Place Order**.

Note: Child accounts must be verified and linked to your Mindbody profile **before** proceeding with payment. If you are unsure whether your child's account is linked, please contact Red Shed via info@redshed.org.au before purchasing a course.

OPTION 2: Log in as your child to book

1. Sign in to Mindbody using your child's email address and account password.
2. Go to **Enrolments**.
3. Select the **course**, choose the dates, and click **Enroll**.
